

# Biologie du Lapin

Rabbit biology

par / by

François LEBAS

This is an online document written in **French** with free access available at the URL  
<http://www.cuniculture.info/Docs/indexbiol.htm>

The screenshot shows the website interface for 'La Biologie du Lapin'. At the top, there is a green navigation bar with buttons for ACCUEIL, MAGAZINE, ÉLEVAGE, BIOLOGIE, DOCUMENTS, FOURNISSEURS, RECETTES, PHOTOTHEQUE, and LIENS. Below this is a yellow header with the title 'La Biologie du Lapin' and the author 'par François LEBAS', who is noted as 'Directeur de Recherches honoraire de l'INRA'. Two rabbit icons are on either side of the header. The main content area features the text 'les dernières modifications du site' and a large red heading 'Plan des Chapitres'. Below this, a list of chapters is displayed, each preceded by a small colored square (green or yellow). The chapters are: 1. Taxonomie et origine du lapin; 2. Extérieur et morphologie du corps; 3. Squelette et croissance musculaire; 4. Appareil digestif et Digestion (with sub-chapters 4.1 Anatomie, 4.2 Physiologie, 4.3 Cæcotrophie, 4.4 Comportement alimentaire); 5. L'appareil respiratoire; 6. Les reins et l'excrétion urinaire; 7. Reproduction (with sub-chapters 7.1 Définitions et Rôle des hormones, 7.2 Le Mâle, 7.3 La Femelle, 7.4 Les Lapereaux); 8. La circulation sanguine; 9. L'œil et la vision à suivre; Biologie du Lapin et Production; and Références bibliographiques utilisées (Ch. 1 à 8).

A direct access is possible to each of the different chapters

- 1/ -Taxonomy and origin of rabbits -
- 2/ - External presentation of a rabbit and morphology
- 3/ - Skeleton and muscles growth
- 4 / - Digestive apparatus and digestion  
(Anatomy, physiology, caecotrophy, feeding behaviour)
- 5/ - Respiratory apparatus and respiration
- 6/ - Kidneys and renal excretion
- 7/ - Reproduction  
(definition and role of hormones, the male, the female, the kits)
- 8/ - Blood circulation
- 9/ - Eyes and vision.

In addition a special chapter is devoted to the relations between rabbits biology characteristics and production & productivity.
